Dear Brother Anderson,

God gave us the best year ever through your giving! 14,715 walked the aisle for Salvation and 9,535 were Baptized! Many many of these were won by your full-time soul-winners or as a direct result of your Bible clubs. The Church grew in attendance by over 1500. We usually only grow by 400 to 500 but we had a great year. We had to go as you know to two services because of the 3500 seat auditorium you built no longer holds the crowds. We had some Sundays of over 9000 in attendance.

These are the totals of your programs....

783,433 were Saved with your full-time soul-winners door to door in the streets in 2013.

142,840 were Saved in Bible Clubs and street meetings during 2013. Most of these were in Mexico City and it's suburbs.

45,494 were Saved holding Bible Clubs in villages and other States with groups that go out during the year promoting the Bible College. We now hold these Bible Clubs through the year instead of two weeks.

This allows us to give better attention to the visitors and we see more Baptized and stay in Church becoming soul winners themselves. It could be more but I am sure 3,762 were Baptized because of the over 90,000 toys you gave and 3,024 food baskets we gave to families from poor areas. We were able to see many families Saved and Baptized and many were added to the Church. We bought less food baskets this year than last because prices have gone up a great deal. My assistant sent you a wrong total for your full time soul-winners please disregard this total. In all we had 926,273 Saved in 2013.

I have mentioned before that I have read many Biographies and know of no one in history who has been used by God to see more Saved than you have! It is a great privilege to work with you! I enjoy seeing the great building you built fill two times now on Sunday morning and once again on Sunday night. WE love you and pray for you each day that God will continue to use you as he has.

Your friend and Servant,

Kevin Wynne
